

FOREIGN NEWS OF THE DAY.

Uneasiness Over Rumors of European War Preparations.

SPECIAL CABLE TO THE EVENING WORLD.
LONDON, Nov. 19.—Advice from Berlin, Vienna and other cities show a continued spirit of uneasiness over the rumors of warlike movements on the part of several of the powers.
To such rumors is attributable the depression on the bourses at closing hours yesterday. The reports say that Russia has ordered 40,000 troops to the Austrian frontier and has deferred the re-arming of the soldiers; that Austria has also strengthened her frontier service and that Germany has ordered a supply of special shelter tents for use in open districts in case of a winter war with Russia.

A Forger's Clumsy Attempt to Deceive the Bordeaux Bourse.
BORDEAUX, Nov. 19.—An attempt to deceive the Bordeaux Bourse by means of a forged dispatch regarding the opening price of rentes in Paris was discovered in time to prevent any effect yesterday.
The sender overdid the matter, announcing a fall of nearly one franc, so great a drop as to excite suspicion.

France's New Minister to the United States.

(BY ASSOCIATED PRESS.)
PARIS, Nov. 19.—M. Patenotre, the newly appointed Minister of France to the United States, will shortly depart for his post.
A number of his friends tendered him a farewell banquet last evening. Among the guests present were: Mr. Whitelaw Reid, the United States Minister to France; Mr. King, the United States Consul-General at Paris; M. Mellé, member of the Chamber of Deputies; M. Waddington, and M. Meunier, owner of the *Courrier des Etats Unis*, a French paper published in New York.

Denying that Russia is to Issue a New Five Cent Loan.

(BY ASSOCIATED PRESS.)
ST. PETERSBURG, Nov. 19.—The *Bourse Gazette* to-day publishes a denial of the report that the Government intends shortly to issue a new five cent loan.
The *Gazette* states that the Imperial Bank holds gold to a sufficient amount to meet the charges on the external loan for the next four years.

DROVE BEFORE THE ENGINE.

Two Men and a Horse Killed at Elizabeth.

(SPECIAL TO THE EVENING WORLD.)
ELIZABETH, N. J., Nov. 19.—Abraham Diamond, a butcher on South Broad street, this city, and David Granin, his helper, were both killed this morning while driving across the Park lane crossing of the Pennsylvania Railroad. They were struck by the east-bound Southern express.
Diamond was literally cut to pieces, the wagon was demolished and the horse killed. Granin's body was not mutilated. He was killed by the engine while driving across the crossing. He was leaving a widow and eight children.
Diamond's wife tried to dash her brains out against the door of the baggage room, where the bodies were lying and which was nearly crazy with grief. The bodies were taken to Jensen's Morgue.

TOO COLD FOR THE THRESHERS.

North Dakota Can't Get Men Even at \$4 Per Day.
(BY ASSOCIATED PRESS.)
MINNEAPOLIS, Nov. 19.—Hundreds of men have returned from North Dakota, where they have been assisting at threshing. They say that at least one-third of the wheat is still unthreshed, but that they could not remain there with the temperature hovering about the zero point.
Oscar Miller, of Grafton, is here trying to get men to go to North Dakota, offering as much as \$4 a day and board. Thresher Hiss says there are plenty of machines in the country, but that it is impossible to get men to man them.
Most of the farmers of North Dakota are unable to furnish sleeping quarters for the hands, and sleeping in barns and straw stacks with the thermometer at zero is impossible even at \$4 a day.

VICTIMS OF ESCAPING GAS.

Three Dead, Two to Die and Three May Live, Out of Two Families.
(BY ASSOCIATED PRESS.)
ANDERSON, Ind., Nov. 19.—At Lapelle last night Mrs. Mary Hoffman and her two sons, Peter and Newton, both grown, retired and left the gas burning at high pressure in the stove. The draught was imperfect and the gas was extinguished.
Mrs. Hoffman and the older son recovered consciousness in time to find their three children were unconscious, but may live.
The fire was left burning in the cook stove, but from irregular pressure the fire went out. The valves being open the gas soon filled the house.

THE WORLD DON'T KNOW.

Only Women Realize the Truth.

"She felt exhausted from nervous weakness while returning from work."
Ah, women, you only can understand this! You women, who are confined in offices, mills and factories, how heavy is your burden, how weary upon your nerves, how exhausting to your strength, how blighting to your beauty! You are often nervous, generally weak, and always tired. You feel languid, low-spirited, listless and miserable, experience a faintness, sense of fullness or bloating after meals, irregular appetite, constipation, headache, wake up refreshed from sleep, have weak back, backache, bearing down pains, irregularities.
The great nerve strengthener and female restorative is Dr. Greene's Nervura. No remedy in the world so sure to restore strength to the weakened and worn-out nerves, bring the bloom of health to the cheeks, strength to the limbs and vigor to the whole system. For it and it will give you strength for your work. Purely vegetable and harmless. Druggists, \$1.00.

"It is with great gratitude that I say Dr. Greene's Nervura has done wonders for me. My nerves had become so weak as to render me incapable of fulfilling my duties. I had no confidence in myself. I would at times grow so weak that it seemed as if I should never be able to move again. I could not remember anything. Dreadful shooting pains occurred frequently all through my eyes and head; often severe headache would follow which would prostrate me for hours. Physicians said no help was possible."
"I began taking Dr. Greene's Nervura and found by the time I had taken the first bottle that I had been greatly benefited. I continued its use and an amazing work and have regained my original health again."

ANNA KING,
136 Diamond St., Philadelphia, Pa.

"Dr. Greene, the successful specialist in curing all forms of nervous and chronic diseases, 35 West 14th St., New York, can be consulted free, personally or by letter. Call or write him about your case or send for symptom blank to fill out, and a letter fully explaining your disease will be returned free."

INDIGNANT COUNTY CANVASSERS.

Republicans Help to Repel Accusations Against Democrats.

(SPECIAL TO THE EVENING WORLD.)
HUDSON, Nov. 19.—A New York Republican organ printed a paragraph in which it was charged that more than one Democratic member of the Columbia County canvassing board had been heard to express the hope that Senator Deane would die so that a caucus may be offered to award the certificate to Osborne.
The canvassers, this morning, passed resolutions, Republicans and Democrats voting alike, denying the allegation in full and giving the representative of the paper present at the caucus a chance to deny his charge and the statement.
If he could not so deny, he was to receive the severest censure of the board and its assurance "that he is regarded by them as having betrayed the trust and as deserving the utter contempt of all honest men."

Jack Dempsey, the Nonpareil, who was taken suddenly ill yesterday, so that he could not spar at Hyde & McManis' Theatre in Brooklyn, is much better this morning. He was sleeping quietly in his room at the Hotel Bowery, Williamsburg.
Dempsey said: "Jack seems to be suffering from an attack of malaria, which has made him very weak. Dr. Peter Hughes has been attending him, and thinks if he remains perfectly quiet he may be able to go on with his engagement to-night or to-morrow night."

ALLIANCE AND THIRD PARTY.

The Supreme Council Said to Be Committed to the New Movement.

(BY ASSOCIATED PRESS.)
INDIANAPOLIS, Nov. 19.—Taken as a whole, the Alliance has not been very successful in preserving the secrecy of its proceedings, but one point of yesterday escaped the press till an early hour this morning.
That point was the commitment of the Supreme Council to the third party movement. This came about through the adoption of a resolution by Jerry Simpson, instructing the Executive Committee of Congress not to enter the party caucuses.

Col. Livingston, of Georgia, protested against its adoption, saying he was elected as a Democrat, and proposed to act with that party whether the Alliance liked it or not.

This morning there was a joint meeting of representatives from the People's Party Executive Committee, the Alliance and the F. M. A.

F. H. Taubeneck, of Illinois, acted as chairman, and made an earnest appeal to the representatives of the various industrial unions to consolidate their interests and take independent political action without any definite action till 1 o'clock when adjournment was taken for dinner. At that time Mr. Taubeneck said the prospect for consolidation was very bright.

The Alliance Executive Council has spent most of today in a heated executive session over the Sub-Treasury question, the anti-trust hearing for their representatives.

NEW SENATOR FROM MARYLAND.

WASHINGTON, Nov. 19.—Gov. Jackson, of Maryland, today orally tendered to ex-representative Charles H. Gibson in this city the appointment to be United States Senator from Maryland until the Legislature fills the vacancy caused by the death of Senator Ephraim B. Wilson.

Col. Gibson accepted the offer, and his formal appointment is expected in due course.

SUED BY THE VICE-PRESIDENT.

Charles S. Palmer, who is being sued for \$68,835.88 by Vice-President Morton, was before Judge Patterson in the Supreme Court to-day in supplementary proceedings.

Some time ago, judgment was rendered in favor of the complainant, but was returned unsatisfied. The defendant is said to enjoy an annual income of \$40,000.
